

Our programs impacted 98 children and 294 beneficiaries across various initiatives including EI, Nursery, FA, PVSW, and Outreach Projects. Through therapies like PT, OT, Vision, Speech, Music, and Yoga, we addressed diverse needs and fostered holistic development. Our month was marked by progress, events, and heartwarming stories of transformation, reflecting our commitment to making a difference in the lives of children with special needs.

## STORIES OF CHANGE

**Shambram Gowda:** Shambram Gowda's journey at Tamahar is a testament to resilience and progress. Initially facing challenges like hyperactivity and communication deficits, he blossomed remarkably. From struggling to mingle with others and displaying tantrums, he now engages comfortably without his mother's presence. His communication skills have flourished, enabling him to understand and respond to questions, identify objects, and interact meaningfully. Moreover, his fine and gross motor skills have seen significant improvement, evident in his ability to imitate building blocks and string beads. Shambram's transformation reflects the transformative impact of Tamahar's interventions, offering hope and empowerment to special children and their families.
